STUDY GROUP ON MIGRATION PRESENTS

Talks. Workshops. Visual & Sound Art

Saturday January 21st / 12.00 - 17:30
Museum of Contemporary Art, Stændertorvet 3D, Roskilde 4000

How does the current migration challenge the idea of the nation state, borders and questions of belonging?

In the fall, the Museum of Contemporary Art established a Study Group on Migration. 19 people including artists, asylum seekers, activists and academics, met over 5 times to discuss this very topic.

Now, we would like you to join the conversation. On Saturday January 21st we invite everybody to experience talks, workshops, visual and sound art.
